

FUNDACOTOX

Tenth Annual Meeting of the Society of Environmental Toxicology
and Chemistry Latin America (SETAC LA)
11-15 October, 2011. Cumaná, Venezuela
"A Commitment with Nature"

Invitation

The Universidad de Oriente and The Environmental Toxicology Communal Foundation (**FUNDACOTOX**) announce the Tenth Annual Meeting of the Society of Environmental Toxicology and Chemistry Latin America (X **SETAC LA 2011**) and the First International Venezuelan Meeting of Ecotoxicology, 11 – 15 October 2011 in Cumaná, Venezuela.

The meeting will feature conferences, contributed papers, poster sessions, interactive workshops, and plenary sessions on the analysis and solutions of environmental problems, as well as commercial demonstration of products, services, and technology that are useful in ecotoxicology research, all focusing on the theme of "A Commitment with Nature".

You are also invited to enjoy cultural and social activities and tours, which will make your visit to the "land of Grace" even more pleasant.
